The meeting began at 6:30 pm. The Board unanimously approved Michele's minutes from the prior Board meeting in November (Motioned by Arnie, Seconded by Cliff).

Bob Stine then raised several issues needing input from the Board: recruiting a new social chair, determining locations for subsequent member meetings due to Valenzano no longer regularly open on Thursday evenings, and distribution of funds from Zone 1.

The issue of a new social chair was quickly resolved. Charlene Singer volunteered for the position and was quickly accepted by Bob S. Claudia will assist Charlene with the use of ClubRegistration for events, and Sharon Stine has offered to help with planning.

Bob S then noted that Zone 1 evenly distributed its remaining funds across the regions, with each receiving $9,756.02. Zone 1 has suggested that regions reserve some of these funds to support region presidents' attending Zone 1 meetings. The Board agreed to revisit this issue in the future.

Bob S. turned the meeting over to John Beidler for a discussion of plans for coming member meetings. The Board decided to have our January New Member meeting at Valenzano Winery on Friday, Jan 30 to accommodate their new schedule. Subsequent meetings in February and March will be held at Gibson House, pending availability. For the

February meeting, Tom Shih will talk about his experience picking up a GT4RS at the factory. The March meeting will have club members discuss owning Porsche SUVs, the Macan and Cayanne.

Arnie next presented the Treasurer's report for 2025. Details were shared with the Board members. Our net balance fell by about $20,700, primarily due to losses at track events. These losses were reduced by income from the Zone 1 dissolution and interest on our balance. The structure of the report was well-received by the Board as being so well organized.

The Board next discussed the track program. Cliff presented ideas to reduce the cost and time required to prepare and distribute awards at our August Club Race. Cliff presented a design based on "Olympic style" medals. The Board approved. Pete noted his plans for offering a second Club Race in conjunction with our early October DE. We may gain better participation of racers if we can move the event by a week to gain more separation from the Summit Point DE. He will follow up.

Regarding concours events, Sean plans to have our regular wash-and-shine event at a member meeting in the summer followed by our concours later in the summer, returning to Sweetwater Marina. He will confirm with Sweetwater once dates are set.

Henry then presented slides with plans for four future tour events, summarized below at the end of these minutes. His plans were well-received. The conversation considered opportunities of linking tours to other social events. Charlene, our new social chair, will discuss expanding those connections and report back to the Board. Henry and Charlene offered to build a unified calendar of club events that can be shared with the membership.

The Board then discussed the state of the Schattenbaum web site. Jack noted that we have limitations because we use PCA to serve our site; using a commercial site can be considerably more expensive than the free support we get from PCA. Henry then spoke about the intern Lourdes Dimapilis, a freshman at Rowan and a Millville resident, whom he found to build our social media presence (Instagram, YouTube, TikTok).

New Membership Chair Claudia then talked about her plans to reach out to new members to improve their exposure to Club activities.

The Board unanimously agreed to adjourn the meeting at 8 pm.

Acting Secretary,
Bob Stine
